

Ref. 9615 MDS CITY CLASSIC DIRECT DISPLAY MODULE

DESCRIPTION

Display module of spare parts for inclusion in CityLine Classic door entry panels and MDS Direct System.

The digital display module lets you view of the dial keys, as well as providing communication status information.

It also displays the program menu.

House calls can be made by entering the corresponding code assigned to the home + the "bell" key.

City Classic is the "continuous profile" outdoor panel line for buildings.

The PANELS are manufactured in anodized aluminum, highly resistant to rough weather and climate changes.

The panel design stands out for its curved-convex profile. A cellular rubber airtight seal included assures a perfect panel-to-wall fit to prevent water filtrations.

Available in several colours: aluminum, golden or bronze and white.
