CDV-4796KPA-DX - 2-Wire 1-Button & Keypad Video Entry Kit

Product Description

The 2EASY Series from CDVI offers advanced communication directly to your mobile device thanks to its WiFi connection with no monthly or annual subscription cost.

Thanks to its 2-wire non-polarised connection, installation and maintenance is simple and straightforward.

The CDV-470DX monitor includes a WiFi connection to allow connection to a mobile app. The app allows diverted calls to be answered with two-way speech and lock release (max 2 with optional CDV-RLC).
